Oideachas trí Ghaeilge

Gaelcholáiste An Chláir
Réamheolaire

STAIR

Bunaíodh Gaelcholáiste an Chláir i 1993 chun oideachas dara-leibhéal a chur ar fáil trí Ghaeilge do dhaltaí i gCo. an Chláir. Is é an t-aon mheánscoil lán-Ghaelach é sa chontae, agus an t-aon scoil in Inis ina bhfuil an Innealtóireacht á múineadh mar ábhar Ardteiste.

Tá an Coláiste faoi stiúr Bhord Oideachais agus Oiliúna Luimnigh agus an Chláir. Is aonad faoi leith é ar an suíomh céanna le Coláiste Pobail na hInse.

HISTORY

Gaelcholáiste an Chláir was founded in 1993 to provide second-level education through the medium of Irish to students in Co. Clare. It is the only school in Clare offering secondary education through Irish and the only school in Ennis offering Engineering as a Leaving Cert Subject.

The College is under the auspices of Limerick and Clare Education and Training Board. It is a unit on the same grounds as Ennis Community College.

OIDEACHAS TRÍ GHAEILGE

Sa chéad bhliain déantar an-chuid oibre ins an dá theanga go dtí go mbíonn líofacht ag na daltaí. Bíonn níos lú daltaí i gcuid mhaith des na ranganna.

EDUCATION THROUGH IRISH

Students from every national school and background are welcome, regardless of whether English or Irish is their first language.
